Last information update: March 2025

**Accessory code**

646B: Rectangular wall-mount base to be used only in combination with the spacer base for conduit installation (art. XA06).

---

**Technical description**

Wall base for rectangular Walky optical assembly 270x90mm. Made of die-cast aluminium and treated with powder paint, which provides a high level of resistance to weather and UV rays. The base can be used together with the spacer base for installation via conduit.
