

Last information update: November 2024

Product configuration: N364+N368.04

N364: Initial module L 2405Frame

N368.04: Plate - wall washer - ON-OFF - LED neutral - L 1196 - 17W 3100lm - 4000K - Black

**Product code**

N364: Initial module L 2405Frame

Technical description

Frame version extruded aluminium initial profile with contact frame; a double length version designed to house 2 x Wall Washer emission LED plates.

Installation

Recessed using the brackets on the profile. The initial modules can be used individually if completed with accessory caps and the required LED module.

Colour

White (01)

Weight (Kg)

5.4

Mounting

ceiling recessed|ceiling pendant

Wiring

The initial profile is supplied with pass-through wiring for continuous lines. Quick coupling terminal blocks for easier luminaire installation. Set up to house the LED modules required by the system.

Notes

Take care with the system configuration. To make continuous lines of lighting, use the intermediate modules. To complete a continuous line correctly there must always be an initial module at the start or end of the composition.

Complies with EN60598-1 and pertinent regulations

**Product code**

N368.04: Plate - wall washer - ON-OFF - LED neutral - L 1196 - 17W 3100lm - 4000K - Black **Attention! Code no longer in production**

Technical description

LED module set up for housing in iN60 Wall Washer system initial or intermediate profiles. Extruded aluminium heat sink linear element, formally designed to house the exclusive asymmetric optic system that generates an even and effective wall washer emission. Linear PMMA screen combined with a special acrylic film; anodised aluminium main beam reflector and side reflectors. Supplied with integrated electronic control gear. Neutral white LED.

Installation

Module insertion on profiles with a mechanical easy-push system (steel snap-on spring).

Colour

Black (04)

Weight (Kg)

1.94

Mounting

ceiling recessed|ceiling surface|ceiling pendant

Wiring

Quick coupling terminal block connection for simplified luminaire installation. LED module complete with integrated electronic control gear.

Notes

The module houses the specific optic system for wall washer emission; to ensure correct installation consult the instruction leaflet.

Complies with EN60598-1 and pertinent regulations
