RZ66.U5: Pendant-mounted Stand Alone LED - Up/Down - DALI - UGR<19 - LO - SPACE - L=2400 - 36.7W 5866.7lm - 3500K - Aluminium/White Transparent

Stand Alone pendant-mounted luminaire. The product consists of an extruded aluminium profile with zamak end caps. 3500K LED plate with direct (Down) and indirect (Up) light emission. Low Output (LO) version with controlled luminance emission ( $\leq 3000\text{cd/m}^2$ ) ideal for environments with video monitors (UGR<19). Opti-Diamond Space optic available in a White Cover (Transparent white) or Black Cover (Transparent black) version. The module optic and structural fittings allow high luminous flux and system efficiency values. DALI dimmable power supply integrated in the luminaire. Extruded aluminium heat sink and "Halogen Free" electric cables. For indirect light (Up), we supply an extruded aluminium support plate that is painted white to increase reflection. Transparent PMMA raster with rear cover available in black or white PP according to the version. Pendant and power supply cables L=1500

Complies with EN60598-1 and pertinent regulations
