

Sleeve without plugs - L=1201

Last information update: May 2025

Accessory code

X519: Sleeve without plugs - L=1201

Technical description

Aluminium outer casing L=1201mm complete with grey technopolymer (ABS) upper cap. Complete with stainless steel screws for securing the side caps. The side caps need to be ordered separately according to whether it is a single or continuous line installation. To be used on Linealuce 47 recessed modules L=1204 mm

Installation

For ground- or wall-recessed installation with cast cement/concrete or other suitable material. For ground installation a drainage channel must be created (positioned below the special holes) or gravel inserted for drainage under the outer casing before installation, to guarantee the degree of protection stated.

Colour

Indeterminate (00)

Weight (Kg)

2.28

Complies with EN60598-1 and pertinent regulations
