

Safety frame for installation on Linealuce 27 surface Full Remote - L=1511mm

Last information update: July 2024

Accessory code

X938: Safety frame for installation on Linealuce 27 surface Full Remote - L=1511mm

Technical description

Accessory consisting of a safety frame for installation on Linealuce 27 surface Full Remote L= 1511mm. The extruded aluminium frame is subjected to a multi-step, pre-treatment process, in which the main phases are degreasing, fluorozirconation (a protective surface film) and sealing (with a nano-structured silane layer). The following painting stage consists of a primer and a liquid acrylic paint, cured at 150°C, with a high level of weather and UV ray resistance. The frame will be available in 4 finishes. There are polycarbonate closure caps with an opening for water outflow in the final part of the frame. Allows an IK10 value to be achieved if installed on the Linealuce 27.

Colour

White (01) | Black (04) | Grey (15) | Rust Brown (F5)

Weight (Kg)

0.6

Mounting

wall arm|wall surface|ceiling surface

Notes
