**Product code**

XA30: Kit for the electrical extension of the Linealuce 27 Full Remote via a pendant cable L=1.800mm

**Technical description**

Kit for electrical extension consisting of a power cable base, a pendant cable, a regulator, a shaped element for locking the power cable parallel to the pendant cable and fixed coupling systems for two Linealuce 27 Full Remote luminaires. The power cable base consists of an internal stainless steel part and a painted aluminium, Ø76mm diameter cover, a pendant stainless steel cable with a maximum product installation height of 1,800mm, a nickel-plated brass regulator for the installation cables, a cylindrical shaped aluminium element for locking the power cable parallel to the pendant cable and a stainless steel coupling system to install between the two products. All the parts described (apart from the regulator) are available in four finishes.

**Colour**

White (01) | Black (04) | Grey (15) | Rust Brown (F5)

**Weight (Kg)**

0.2

**Mounting**

ceiling pendant

Complies with EN60598-1 and pertinent regulations
