**Product code**

QY79: Superrail 48V (16A) UP/DOWN pendant track - L 2000

**Technical description**

New 48V (16A) low voltage Superrail track for pendant installations. Designed for installing lighting elements supplied with a 48V (16A) adapter (for some lighting elements a new adapter must be ordered separately). Allows both UP and DOWN lighting. The integrated DALI converter circuit, designed to interact with the DC/DC driver included in the spot adapters, allows the lighting elements inserted in the track to be programmed individually. To obtain continuous lines, direct and corner joints are available with separate codes. Accessory installation systems with separate codes. Sealing sheath available for positioning flush with the track opening.

**Installation**

Ceiling or pendant-mounted.

**Colour**

White (01) | Black (04)

**Weight (Kg)**

2.74

**Mounting**

ceiling pendant

**Wiring**

The DALI converter, designed for remote installation, is available with a separate code. For maximum load details and cabling procedures see the instruction sheet.

Complies with EN60598-1 and pertinent regulations
