Accessory code

PB42: L-shaped electrical joint for Superrail track - ceiling/ceiling

Technical description

L-shaped joint for LV Superrail track. This allows a 90° direction change to be made between two consecutive tracks on the same surface. A swivel joint allows fine adjustments to be made to remedy any discrepancies in the right angle. Installation

Installation

Mechanical connection on track

Colour

White (01) | Black (04)

Weight (Kg)

0.02

Wiring
