Palco Low Voltage

Design Artec iGuzzini Studio

Last information update: June 2025

Product configuration: 952A

952A: Palco LV spotlight 2 x Ø 19 - medium beam - DALI Powerline

Product code

952A: Palco LV spotlight 2 x Ø 19 - medium beam - DALI Powerline

Technical description

Lighting assembly consisting of two miniaturised adjustable spotlights with adapter for installation on 48V low voltage track. Spotlight bodies made of die-cast zamak with a passive dissipation system. The adapter made of a thermoplastic material includes the DC/DC driver circuit with a DALI dimmable function. Integrated «Powerline» technology allows each spotlight installed on the track to be adjusted separately; in the paired spotlight model adjustment is synchronous for both lighting bodies. The spotlight swivel joints allow the spotlight to be rotated by 360° and tilted by 90°. The set back position of the optic units guarantees a high level of visual comfort with thermoplastic high definition lenses. A rapid tool-free system for connecting the adapter electrically and mechanically to the track.

Installation

An adapter is used to fix the device mechanically and tool-free to the 48V track.

Colour	Weight (Kg)
White (01) Black (04)	0.09

Mounting

Low voltage track

Wiring

Integrated DC/DC LED driver in adapter - direct connection on 48V track. Track power supply unit to be ordered separately.

Complies with EN60598-1 and pertinent regulations
