Whisper

A classy touch

iGuzzini

A wireless rechargeable table lamp. Made of aluminium, therefore solid, but at the same time with a stem that ensures momentum and lightness. Its design is essential and elegant, with a decorative interchangeable ring to add a dash of preciousness.

The lamp - with **just a simple touch** - turns on/off, dims and chooses the desired colour temperature (2200K; 2700K; 3000K).

Cordless and rechargeable, the lamp can be adapted to be freely and easily moved indoors and outdoors. Developed around **eco-design** principles with recycled and recyclable materials that are easy to disassemble. Many finishes multiply the application and furnishing potential for living & hospitality.
