Quick DALI

Last information update: February 2023

Product code
9730: Colour Quick **Attention! Code no longer in production**

Technical description
Colour management system that allows selected iGuzzini RGB luminaires that are compatible with the Colour Quick system to be controlled directly. Controls up to a max of 64 RGB luminaires. Function: direct selection of 7 colours, selection of a pre-set loop, loop speed adjustment, general on/off.

Installation
Wall-mounted using a box with a centre-to-centre distance of 60 mm or a 503 type 3-location box. The box item code ML15 is available as an accessory.

Colour
Grey (15) | White (01)

Wiring
Requires a power feeder item code 9908 available as an accessory. The DALI line is available directly from the panel. The RGB luminaires are all connected in parallel.

Complies with EN60598-1 and pertinent regulations
