Product configuration: BX56

BX56: Recessed rectangular ceiling-mounted IP65 luminaire, compact body, Warm White LEDs, Flood optic.

**Product code**

BX56: Recessed rectangular ceiling-mounted IP65 luminaire, compact body, Warm White LEDs, Flood optic.

Technical description

Miniaturised recessed rectangular luminaire with two optical elements with Warm White LED light sources - fixed Flood optic. Comprises a (round) optical compartment, frame, glass, outgoing cable and installation accessories to be ordered separately, where necessary. The optical compartment and frame are made of aluminium alloy and subjected to a multi-step pre-treatment process, the main phases of which include degreasing, fluorozirconic coating (a surface protective coat) and sealing (silane-based nanostructured coat). The successive painting phase is completed using primer and liquid acrylic paint, baked at 150°C, guaranteeing excellent resistance to atmospheric agents and UV rays. The glass-holder frame has plastic end caps. Tempered soda-lime closing glass, transparent with black screen-printing on the edge, 3mm thickness, attached to the frame with silicone. Silicone seals are placed between the glass-holder frame and the optical compartment. High-definition optic made of metallic thermoplastic, integrated into the black anti-glare screen towards the rear. Grade 304 stainless steel supporting springs. Connection cables supplied. Control gear not included; available with separate code. All external screws are made of A2 stainless steel.

Installation

Recessed installation with protruding frame on 1-20mm-thick suspended ceilings. Recess opening on suspended ceiling, size 64x35. Recessed installation with flush frame on 12.5mm- or 15mm-thick suspended ceilings, through adapter frame to be ordered separately. Installation on concrete ceilings using an outer casing to be ordered separately (flush and protruding frame).

Colour

Black / Black (43) | Black / White (47) | Grey / Black (74) | Rust
Brown / Black (I5) | Black/Glossy Urban Bronze (S7) |

Brown/Glossy Lead (U2)

Weight (Kg)

0.15

Mounting

ceiling recessed

Wiring

Constant current control gear (700mA) to be ordered separately.

Notes

Versions with black painted frame or with Neutral White LEDs available on request.

Complies with EN60598-1 and pertinent regulations
